PO Box 498, East Maitland NSW 2323 maitland-h.school@det.nsw.edu.au  
facebook.com/maitlandhigh www.maitlandhigh.com.au

Dear Parents/Carers,

Your child will be studying a Technology or Food based subject in 2024, which includes substantial practical work. This means working with materials and equipment that can be hazardous, if students are not wearing the correct protective equipment. For this reason, when purchasing new shoes, we would like you to purchase school shoes that meet the WHS requirements of the course and thereby reduce the risk of injury.

Students who are not wearing protective leather upper shoes in 2024 **will not** be permitted to do practical work. These students will be given alternative theory work.

My aim of this letter is to give you accurate and timely information about proper footwear. It is critical to note that canvas or partially canvas shoes and ballet style flats are not acceptable.

**Extract from current DEC policy** “It is mandatory that students carrying out practical activities using chemicals or equipment in schools wear enclosed leather footwear”

The shoes below ARE suitable and meet WHS (OH&S) requirements at Maitland High School because;

- they have leather uppers,
- there are NO punched holes or mesh,
- they are NOT canvas, and
- they cover the upper part of the foot.

Some **suitable shoes** are shown below:

These shoes are NOT suitable as they are only partially suede and the rest of the fabric is canvas. The full leather style are acceptable

For further information please either phone the school or email me directly on:

[DONNA.HOWARTH@det.nsw.edu.au](mailto:DONNA.HOWARTH@det.nsw.edu.au)

Financial assistance is available through the Student Assistance Scheme – please contact the principal.

Yours sincerely,  
Mrs. D. Howarth  
Head Teacher TAS Maitland High School
